

The Greater St. Charles Education Foundation has donated over One Million Dollars in grants and scholarships to D303 students. We'd like to invite more people from our community to have a voice in fundraising for our students and join the efforts of the Foundation.

See what it's all about —

2011 Annual Meeting, Wednesday, October 26, 7 p.m. at the Little Theater room in St. Charles East High School, 1020 Dunham Road, (Enter Door #86). Come and meet our teachers and see the innovative work they've done with a grant from the Foundation. This year we funded 29 grants totaling \$48,000.

Join us and have some fun at our premier event—

Jazz Night at The St. Charles Country Club, February 11, 2012. Featuring live jazz from student musicians of St. Charles East and North High Schools as well as dinner, dancing, live and silent auctions.

Celebrate the arts—

ArtFusion at North High School, March 2, 2012. A concert where mentors and proteges meet. Local professional artist/mentors share the stage with their talented D303 students presenting visual and performing arts.

Honor a teacher or staff member—

Tribute Program. Donate \$5 or more via the website or complete a donation form at your school's office. The honored person will receive an attractive card with your personal message. The donation amount is kept confidential and is tax-deductible.

To continue and grow the Foundation needs you. Your ideas, your connections, your passion for excellence in education. Learn more about our mission and how you can be involved. Visit:
