### Other Corporate Foundation Grant Awards:

**General Mills Foundation** grant of \$6,760 on behalf of Stacy Anderson, Student Assistance Coordinator – Community Unit School District 303 to support the Social Problem Solving/Decision Making program for the 2002-2003 school term. This is a multi-year, curriculum based program designed to help children acquire the skills necessary to cope with everyday conflicts, decisions and pressures.

**Work Area Protection** grant of \$10,000 for the purchase of a portable, multi-media technology cart equipped with computer(s), monitor(s), multi-media projector and assorted peripherals. This is an ongoing project with a goal of placing a multi-media cart in each school in the district. So far, a cart has been placed in 13 of the 15 buildings in the school district, with last year's grant awarded to Bell-Graham elementary school.
